5. Approval of credit for courses will be granted based on the information below. However, seminary course work is often considered for those who have taken the appropriate courses. If this is true in your case, please have a transcript and syllabus from your institution sent to Foothills Presbytery Office. After evaluating the prior coursework, you will be notified which courses will be applied toward your certification requirements.

6. All courses outside the approved scope of courses, will be considered by the CRE Supervisory Committee

10. When a congregation desires the services of a CRE and has written a covenant specifying the work of that CRE, the Examinations Commission of Foothills Presbytery will examine the ruling elder ready to receive a commission in relation to the covenant and the content of that ruling elder’s training and preparation.

11. Presbytery votes on the CRE to create the commission for a specified amount of time.

12. COM assigns a Teaching Elder to the CRE for the purpose of mentoring and supervising.

Ways to earn course credits

As mentioned in G-2.1002, the presbytery has oversight of the selection and training of the elder who seeks to become a commissioned ruling elder. Foothills Presbytery does the certifying of its own ruling elders. This is done through the oversight of the CRE Supervisory Committee of Foothills Presbytery. They inform the COM of persons who are being trained. Foothills Presbytery has approved 3 ways that persons can earn credit toward their certification.

1—**South Carolina Lay School of Theology** has been in existence for many years and is managed by the five SC presbyteries. The Lay School is held one weekend in March or April and one weekend in November of each year. You may take only one course on each weekend; each weekend averages ten hours with a follow up paper sent to the instructor for grading in order to complete the course. Instructors report grades to the Lay School registrar who in turn sends reports to Foothills Presbytery two times a year to update your credits.

The SC Lay School awards a certificate to persons who complete their "core" courses in the CRE Track. To earn credit in the CRE Track you must have endorsement from your Session and the CRE Supervisory Committee (on behalf of COM.) *Simply completing the 8 “core” courses at the SC Lay School will not meet all of the requirements that Foothills has put in place.* There are 8 core courses to be taken at the SC Lay School in order to receive a certificate from the Lay School.

You are not required to take courses from the SC Lay School, although it’s recommended.

SC Lay School regularly offers courses on this schedule:

### Fall Core Classes
- New Testament Survey
- Reformed Theology
- Pastoral Care
- Church History

### Spring Core Classes
- Old Testament Survey
- Polity
- Worship and Sacraments
- Preaching
2—PACE (Presbyterians About Collegial Enrichment) The Foothills Presbytery PACE Team of Equipping the Saints Committee on occasion offer some of the required core courses. They are usually 30-hour courses. They are more in depth as well as offer the CRE Applicant a more thorough and integrated experience, including reading and written assignments, projects, and/or collaborative work.

3—Online courses through Dubuque Theological Seminary and other PCUSA seminaries which have been approved by Foothills Presbytery for credit toward commissioned ruling elder certification. When signing up for an online course, you must request that the seminary send notification to Foothills Presbytery in order to receive the appropriate credit. This is an additional fee. To apply for a course, fill out an online application at www.udtslearning.net.

Most Dubuque online courses run for 12-weeks and equate to a 1.5 to 2 credit hour college course. On average the online student reads 300-500 pages, writes 7-10 pages of assignments, and spends 3-4 hours per week of class participation and preparation time. (Courses do not carry seminary or university credit.) You can pay extra to earn CEUs for the online courses. Maximum suggested number of courses to take at the same time is two. Remember, you are only permitted to take up to 3 of the 8 courses away from SC Lay School. Dubuque offers many courses online, both core courses and electives such as:

Core Courses and approximate start Dates:
1. Introduction to Old Testament (January & June)
2. Introduction to New Testament (April & September)
3. Pastoral Care (March & August)
4. Presbyterian Polity (February & July)
5. Reformed Theology (April & September)
6. Introduction to Preaching (June & December)
7. Foundations of Christian Education (January & June)
8. Reformed Worship and Sacraments (March & August)

If you would like to register for any of these courses before they are listed on the homepage, please contact Katie Noonan (DERegistration@dbq.edu).

NOTE: Foothills Presbytery has set a limit that no more than 3 core courses of the total 8 required courses may be taken online. Please have the Registrar at Dubuque send the Foothills Presbytery verification that you have completed the course and passed all requirements to receive credit.

4—Submission of an official transcript from an accredited theological institution indicating seminary courses previously taken and passed will be considered for approval.
